Memories Like Crimson Petals

A boy with brown hair walks next to the river while the red colored leaves are dancing in the wind.

His green eyes aren't cheerful like usual but filled with sadness and regret , he turns to look at the peaceful waters of the river.

Slowly he sees himself appear but then a girl with long brown hair is there instead smiling brightly at him.

His eyes widen and heart starts beating faster than before.

He bits his lip until it draws blood then he lets out a cry " Why ?!" Tears are running to his cheeks as he looks away and starts running with all his might.

Running away from all his problems.

Running away from her memory.

He doesn't want to remember!

Yet he doesn't want to forget the moments they spend together.

He allows himself to stop and look at the dark sky , the clouds are crying and the thunder roars but the doesn't matter.

What matters is thatâ€|she isâ€|goneâ€|

A laugh is heard and a voice speaks "Don't be so sad ! Smile for me please ! "

It is a very familiar voice.

Her beautiful voice.

" Chizuru ! " He calls as he turns back hoping to see the girl that he loves.

But the only thing he sees is the dark forest he is in.

His eyes water again and he falls and punches the ground with all the might he could master.

" Damn! Damn!" He says again and again.

" Why did you have to do that ? I could have protected myself ! Why ? ! " He mutters to himself as his hands are filled with blood.

The rain falls hard on him but he doesn't care.

His life became miserable the moment she was taken away from him.

His voice becomes soft " Why did you leave me alone ? I love you so much . My life is meaningless without you by my side."He whispers as his eyes are shut,the silver tears rolling on his cheeks.

He slowly forces himself to stand up and starts walking towards the place he doesn't want to see the most.

He bits his lip ' No it is time for me to face it . ' He thinks as he bravely starts walking in the dark road.

Finally he reaches his destination.

Under a cherry blossom tree is a graveyard.

In that place is everyone he loves with all his heart.

His comrades in the Shinsegumi.

His friends.

And the most of all the woman he loves.

A sad smiles appears on his lips as memories pass from his eyes .

His eyes stare at all the graves.

Kondou-san was the first one who left from this world , he was executed a smile on his face...

Then Sano-san along with Shinpatchi-san left the Shinsegumi for a better life.

Two years later he found out that they were killed by the
